

Listing #2929
Listing Agent: D. Henderson

Profitable Online Freight Broker

Type of Business:

This profitable online freight broker is a logistics company which contracts with customers to schedule Full Truckload (FTL) and Less Than Truckload (LTL) freight carrier services. This business can be run from anywhere. The software used by this business was built in-house to deliver an easy-to-use system for customers to schedule their shipments. This software and website is included with the sale of the business.

Market Opportunity:

Because this business is 100% Internet-based, the business can be worked by multiple people in various locations. The business can be grown dramatically by adding more brokers and assistants to the staff and implementing aggressive marketing and sales campaigns. The business has a large current and past customer contact list which could be marketed to in order to grow revenues.

Reason for Selling:

Pursue other business opportunities.
