

# Propane Distribution & Delivery Business

Profile #1121

This company has provided solutions for its customers' propane needs for more than a decade. Located in Colorado, and easily managed, this community-minded business provides a dynamic blend of residential delivery and commercial bulk delivery, propane tank setup, tank leases and sales, refills propane cylinders, and testing services. Its team has a strong reputation for industry knowledge, reliability, and safety.

With an established and growing customer base, a history of increasing sales and profits, this business would make an excellent acquisition candidate for a sales-oriented entrepreneur or a synergistic acquirer looking to expand its offering of services.
